FOREWORD

Within these pages of the 1954 WARWICK we have pictured the part of our lives which has centered around Warwick High School. The seal we have chosen for our annual also represents the functions and activities of school life which will linger forever in the minds of us all.

DEDICATION

MISS MARGARET THOMAS

Words cannot express the feeling which we hold for these highly respected and admirable persons. Through the years we have come to know and to love them.

DEDICATION

MR. JOSEPH AMOTT

Therefore, with sincere appreciation, we dedicate the 1954 WARWICK to Miss Margaret Thomas and Mr. Joseph Amott, for their patience and understanding have been a great help to us all.

ADMINISTRATION

Principal, Mr. George W. Cox, Jr.

Assistant Principal, Mr. Clarence A. Davis

OFFICE STAFF

Left to Right: Mrs. Jean McCall, Miss Margaret Thomas, Mrs. Irene Lowe.

The task of solving the problems of over 1500 students and teachers, as well as managing our school's affairs, rests on the shoulders of our principal, Mr. Cox; our assistant principal, Mr. Davis, and three capable office assistants.

We can seldom find Mr. Cox and Mr. Davis in their offices because they are always busy somewhere around school, helping students and teachers.

Miss Thomas, secretary to the principal, issues special excuses and is generally able to give information to those seeking it.

Mrs. Lowe and Mrs. McCall, office assistants, handle financial matters and keep records concerning our school.

P. T. A. Executive Board

Left to right, seated: Mrs. C. W. Athearn, Mr. P. S. Ward, Mrs. R. E. Dishman, Mrs. R. E. Altwegg, Mrs. Byrn Lee. Standing: Mrs. A. J. Atkinson, Mrs. H. C. Davidson, Tom Crosley, Mrs. Howard Lee, Mrs. J. A. Franske, Mrs. D. A. Lloyd, Mrs. William Spain, Mr. G. W. Cox, Jr., Mrs. Nelson Rancorn, Mrs. R. A. Pritchard, Mrs. John Gray, Bev Cassidy.

As we, members of the Senior Class of 1954, leave the sacred halls of Warwick to our successors, we find it hard to realize that we are no longer a part of our school, the building we lived in and loved during our high school years. All the plays, dances, games, and assemblies are gone from us forever, and though we strived to make them successes, we know that they don't need us any more. They will forget us, but we can never forget them. All the wonderful times we had, the memories we cherish, were taken for granted until this last year.

When Commencement came we had to face it. The time had come! For one last time we stood together, with our blue and white colors and red carnations, to sing our class song, "One Little Candle." The past flashed before every eye then: the prom, the grab bag, Class Day, the banquet, all the memorable occasions that held special meanings for each of us. They had passed too quickly.

Together with our friends we walked across the stage to receive our diplomas and then went down that familiar aisle once more, feeling glad and sad at the same time.

Our eyes looked forward and in our hearts was one hope: "The best is yet to be."

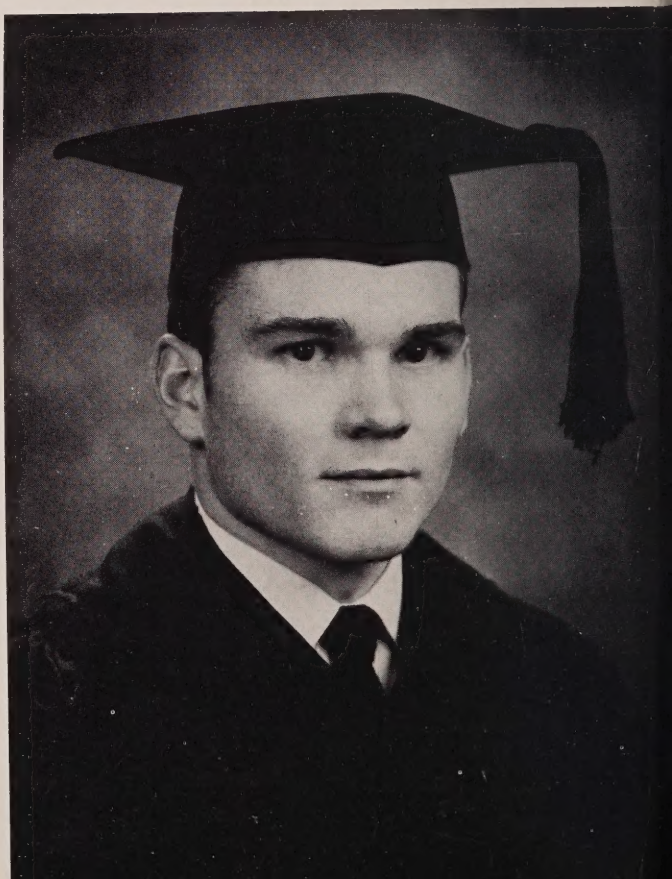
Senior

Beverly Anne Cassidy, whose friendly and sincere personality is known by all at Warwick, has been very active in school since her entrance. She was a representative at many different conventions, some of which were S.I.P.A., F.H.A., S.C.A., and T.P.A. Bev's leadership qualities brought her into S.C.A. work where she was in the Congress, on the Executive Council, and Vice-President. Being the "Best All-Around" girl in the Senior class, she proved that she deserved her title by earnestly doing her job well. Perhaps her biggest achievement was being Editor of THE '54 WARWICK, where she demonstrated her ableness in the field of journalism.

Next fall, Bev should be in Randolph Macon Woman's College starting another road which will be, we know, as colorful and as honor-filled as that of her high school path. Warwick will long remember the smiling red-head who always had time for everyone.



Wallace Kirby Garner, the "Best All-Around" boy at Warwick, has accomplished much during his five years here. His energetic ideas and faithful work with the S.C.A. helped the school a great deal, especially this past year when he presided over the senior class. Wally also led in athletics. For his top notch job in football, he was chosen as the "Outstanding Lineman" and "Best Sport" by the Peninsula Sports Club and the Jaycees, respectively. As chairman of the Magazine Sales, Wally used his alert mind and persuasiveness to pep up the sales, which went over the amount expected.

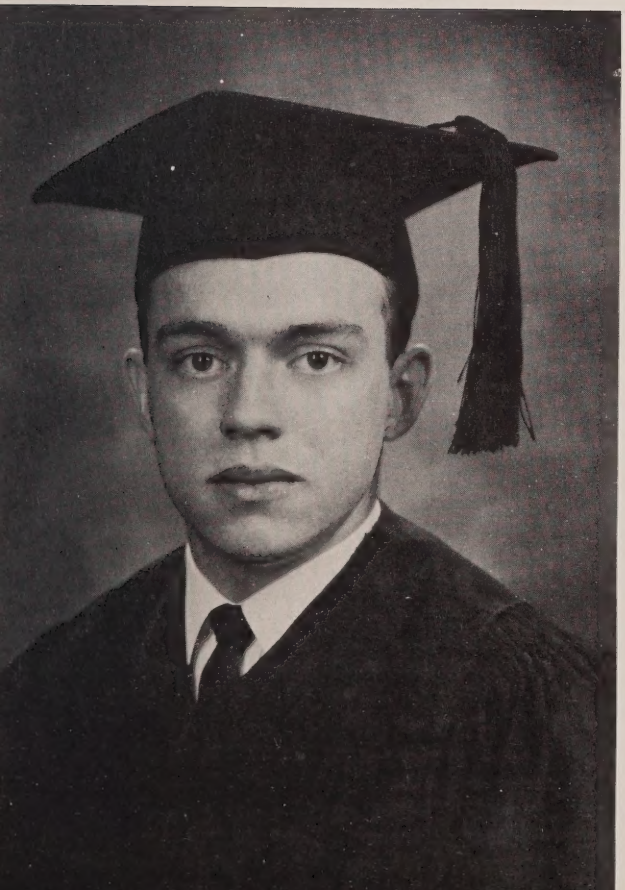
Through the years, Wally's classmates looked to him for leadership, and he responded with able guidance. In the Key Club or working with the Ushers, the congenial senior always did a commendable job.

Trekking to University of Virginia this fall, Wally will probably study dentistry.

Leaders

Grace Anne Piland had the spirit of co-operation that is so necessary for high school students. Her gentle manner made even the hardest tasks seem half done before started. As chairman of the Pep Committee, Anne ran from place to place looking for paper, paints, and people to make posters for all the athletic and other school events. Because of her hard work on this committee, she was elected the "Most School Spirited" twelfth grader. Her other accomplishments included being chairman of the Ushers, President of the A Cappella Choir, and participating in the French and Science Clubs.

Randolph Macon Woman's College - bound, Anne has chosen the nursing field for her career. Her concern for people will be a major asset in this profession. Being a conscientious worker, Anne made top grades and is well-liked by the faculty. Because of her ability to get along with others, she is also one of the most popular girls at Warwick.



Frank Bradley Gray was talented in a great many different fields. His executive ability was shown while he was President of the S.C.A. and a Congressman for four years. He took part on the Executive Council, Code Book, Safety, Constitution Committees, and was a delegate to the S.C.A. Conventions for two years.

Brad also excelled so in playing the tympani that he made the All-State Workshop for three years and All-State Band once. In the drama department, he was featured in several different plays.

The intelligent and reasonable Key Club President wants to be a dentist, and the University of Virginia may be the lucky college to get one of Warwick's finest citizens.

It's your cue Jenny.

The D.E. Students are kept busy before school selling stationery to the students.

JUNIOR CLASS

Juniors at last! During the three months preceding this school term this was our main thought. We would have a big part in the important things that go on during the year.

As the year progressed, we were measured for our class rings and had a hard time deciding what kind of stones to get. It was worth all the time and effort spent thinking about it and we really felt like upperclassmen.

As Christmas came nearer, many Juniors helped decorate for the dance. The gym was as pretty as a picture and everyone enjoyed the dancing there.

During the next semester we worked very hard planning for the prom. The committees worked overtime deciding the band, theme, and colors for the dance. Finally the great day came, and our dreams and hopes were fulfilled. This was our farewell to the seniors and we look forward to filling their shoes next year.

Many juniors learn how to drive in Driver's Training classes.

Sophomore Officers

Left to Right, Kneeling: Billy Cole, President; Llewellyn Welstead, Vice-President. Standing: Burkie Morgan, Secretary; Amy McFall, Treasurer; Jeanette McWilliams, Reporter.

Most Sophomores learn how to disect frogs and grasshoppers in Biology class.

As we, the class of '56, entered the halls of Warwick in September, we realized we were being given more places of leadership and were really beginning to take an active part in the various school activities.

Many of the boys went out for J.V. and Varsity sports and five of the girls made the two cheering squads.

For the first time, some of us attended the dances; and nearly everyone turned out for the "pep" rallies.

Several members of our class represented Warwick at the S.C.A. Convention held at Poquoson High School and brought back new ideas which helped them during the year.

We also worked hard on the student activity ticket and magazine sales.

The dramatics department of the school received help from members of our class, too. They took part in assembly plays as well as three act plays. There were always sophomores behind the scenes, helping with props and other things.

As our sophomore year ends, we look forward to becoming juniors; but we shall always look back with happiness to the wonderful times we had in the tenth grade.

Left: This is a familiar sight in the halls at Warwick.

Right: A group of sophomores working in the new library.

Freshmen Officers

Left to Right: Grace Yoder, Secretary; Flewellen Fite, Treasurer; Helen Walker, President; Nancy Curtis, Vice-President.

Freshmen at last! Now we knew how it felt to really be a part of Warwick High School.

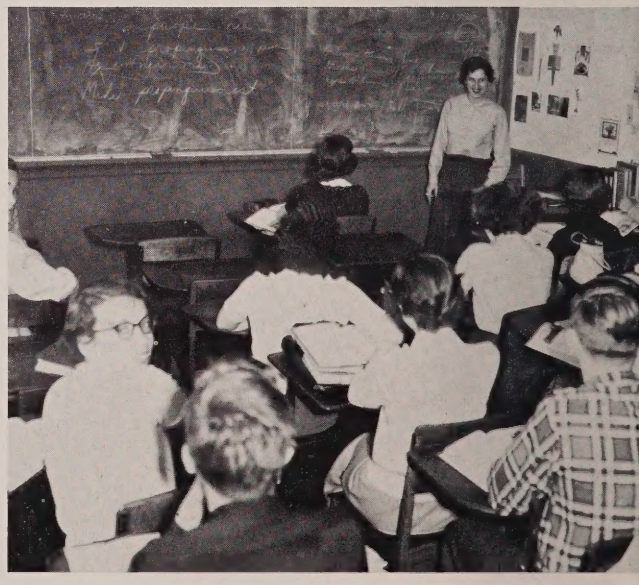
At the beginning of the year, four of our feminine classmates made the J.V. cheering squad and lent their talent and beauty to that, while the boys lent time and energy to football, basketball and other sports.

During the magazine sales, our class worked hard to achieve high sales; and several of our classmates won individual prizes for their salesmanship.

In addition to the magazine sales, the S.C.A. received strong support from the freshmen at dances, at recreation nights, and in the Congress meetings.

In the classroom, some of us battled with algebraic expressions and the conjugation of Latin verbs while others taking music trained our voices by singing ma, me, mi, daily.

After reviewing this past year, we know it has been filled with fun and success; and we shall strive diligently to make our future years as full of accomplishments as our first years.



Many ninth grade students study Latin, the language of the ancient Romans.

In the midst of trials and tribulations, we suffered through our first day at Warwick High and we liked it "all the way!" Our teachers were very understanding with all the eighth grade "rats" who were late for classes that day and every day for a week later. It was about a month later before we settled down and began to take high school seriously.

Election time for our class officers came and we learned how to really carry on a campaign.

Eighth grade students gained recognition in football, cheerleading and music.

With the talent and gumption displayed by the eighth grade boys and girls, we are sure to rise to a royal standard at Warwick. We are determined to succeed in anything we do and hope that we will become the very best citizens of Warwick.

These eighth graders are admiring the school's trophies, wondering what trophies they will earn for the school.

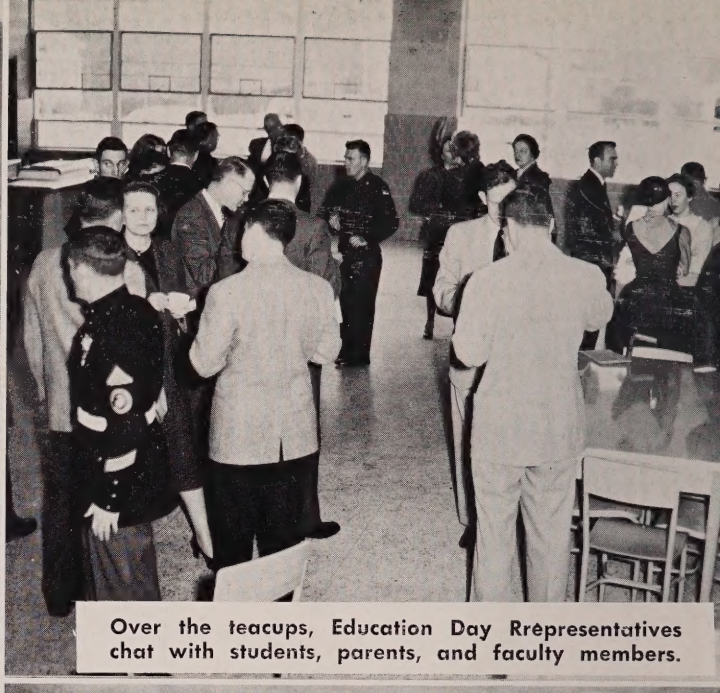
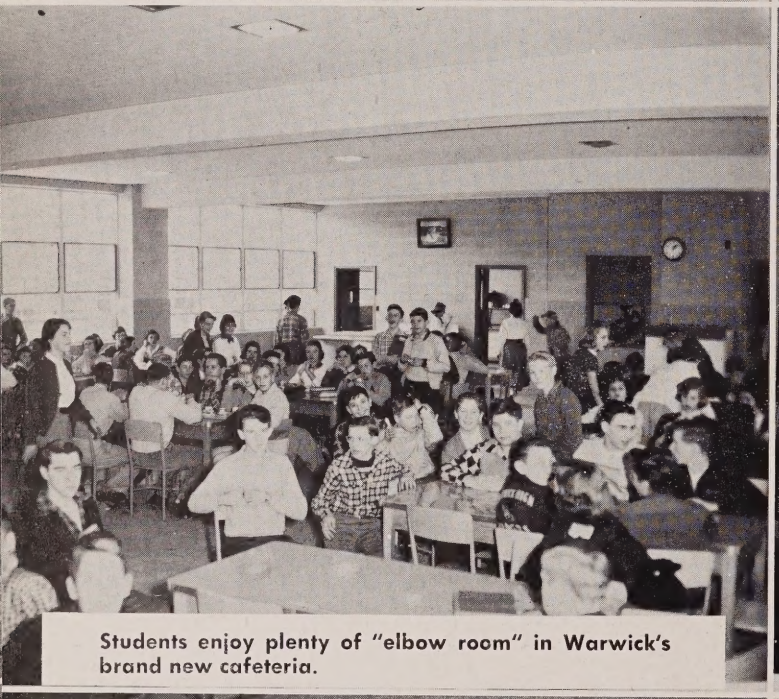
Shop Work offers various opportunities to Warwick students.



Over the teacups, Education Day Rrepresentatives chat with students, parents, and faculty members.



Students enjoy plenty of "elbow room" in Warwick's brand new cafeteria.

Student-painted murals add beauty and color to the school's halls.

Is it a goal?

Organizations

Student Co-operative Association

The Student Co-operative Association of Warwick High School, the most important organization in the school, had a very successful and active year living up to the ten goals which were set up at the beginning of the year.

One of the biggest achievements of the year was changing the name of the school newspaper from the The Sponge to The Earle.

The huge attendance at the dances from which S.C.A. raises money was another success. The "Twirp" Dance, where the girls asked the boys, and the Christmas Dance were festive occasions.

Some of the hard-working Members of the Pep Committee are getting ready to hang up some posters.

Open to all students was the new Pep Committee which had as its purpose to promote better school spirit. They did a fine job in making posters, boosting the games and decorating the buses and goal posts to get the students interested in the teams. The other Committees, each composed of members from every class, also did a fine job.

The S.C.A. is composed of the Executive Council and the S.C.A. Congress. At the Council meetings, committee reports were given and bills were discussed and prepared for preparation to the Congress. Both Branches have a fine method of achievement.

Brad Gray did an excellent job as President of the student body, and was duly assisted by Mrs. Sara Geddy, Faculty Advisor, and by the other S.C.A. Officers.

Yearbook

THE 1954 WARWICK

Since last spring THE WARWICK Staff has spent many busy hours working on this, THE '54 WARWICK. During the summer and fall, you saw us almost everywhere selling ads, for our advertising managers, Bette Gatewood and Ann Lee Chapman, to draw up.

After planning our "Dummy," we began the real work on the annual under the leadership of Bev Cassidy our Editor, and Miss Frances Whitehurst our Advisor. Each staff member had his own particular assignment; but in addition, received valuable experience by helping with other jobs.

Miss Frances Whitehurst, Betty Altwegg and Bev Cassidy discuss business matters as deadline time draws near.

Old annuals were used in planning the layout of THE 1954 WARWICK.

The staff works together getting pictures ready to send to the publisher.

First Row: Nancy Jolly, Ann Lee Chapman, Bette Gatewood, Kathryn Layne, Betty Altwegg, Barbara Blakely. Second Row: Joan Baird, Nancy Jane Cyrus, Beverly Amory, Beverly Cassidy, Miss Frances Whitehurst, Advisor.

"Kacky" Layne, Picture Editor, planned the picture schedules and assisted Mr. Edmonds, the photographer. Bill Lee, the ex-officio member of the staff, proved a tremendous asset, not only in the taking of informal shots but also in helping out where needed.

Business Manager, Betty Altwegg, handled our financial matters while her assistant, Joanie Baird, spent her time checking and double checking student subscriptions and activity tickets.

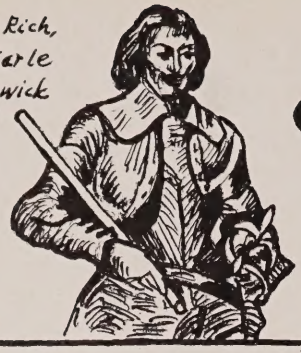
Literary Editor, Nancy Jane Cyrus, was constantly chasing down write-ups to be typed; Barbara Blakely, Art Editor, planned and executed the drawings for our book; and Nancy Jolly, Sports Editor, was always busy finding coaches and players to get information from them.

Bev Cassidy and Bev Amory, our assistant editor, helped with all these tasks. Miss Whitehurst was able to solve our many problems as well as find work for everyone to do.

Now we, the staff, are happy to present to you THE 1954 WARWICK, and we hope you enjoy looking at it as much as we have enjoyed producing it for you.

Each member of the staff helped in some way with the typing, which was an important part of our yearbook.

Members of the staff spent much of their time choosing pictures, and matching them with the "dummy" sizes.



The EARLE

Warwick High School, Warwick, Virginia

The 1953-54 Warwick newspaper staff began the year by presenting a bill to S.C.A. Congress requesting that the name of the paper be changed from THE SPONGE to THE EARLE. After this was approved by the Congress, a new masthead was drawn and appeared on the third issue.

The staff of thirteen students was headed by co-editors Joanne Parker and Bill Lee. Mrs. Andrew Lee Roberts was the sponsor of the newspaper staff.

Twelve issues of the paper were published, spaced over periods of three weeks. After working all fourth period and often after school, the staff took great pleasure in being able to present the students with a summary of the happenings in and about Warwick High School as seen through the Earle's eyes.

Co-Editors Bill Lee and Joanne Parker plan for the next issue of THE EARLE with Business Manager Virginia Baker.

Staff members are preparing THE EARLE for delivery to the students.

Mary Ellen Moore, vari-typist, gets some assistance from Feature Editor, Pat Barber and Sports Editor, Bobby Vaughan.

BAND

The Senior Band marched onto the field with precision, as the football season entered. There was much practicing on those fall mornings to prepare the half-time ceremonies.

They featured formations at the Benedictine, John Marshall, Norfolk Catholic, Norview, Newport News, Granby, and Hampton games.

Their activities were continued with a concert given at the District B Teacher's Meeting in the school auditorium. They gave their usual successful concerts in December, February, and April. In May, they presented a concert on the grounds of Mariner's Museum.

The band brought honor to both itself and the school with its participation in parades. They won second place in both the Washington Fire Prevention Parade and the Hampton Fireman's Parade. They took part in the Armed Forces Day Parade and the Memorial Day Parade in Newport News. For the first time in five years, our band accepted an invitation to participate in the Oyster Bowl festivities in Norfolk.

They took part in some assemblies and were always ready to assist the cheerleaders in their pep assembly programs.

Mr. Lyle M. Smith, the director, and Derwood Johnson, the drum major, led the band through a very successful year.

Intermediate Band and Orchestra

Violinists Helen Theophilos, Ora Chandler, Deborah Prior and Sandra Hobbs believe that practice makes perfect.

Both the Intermediate Band and the newly organized Warwick High School Orchestra proved to be a credit to the school during this school season.

For the first time in their history band members tried out for the All-State Band. They traveled to Maury High School in Norfolk, where they played in the District II Music Festival for All Tidewater Schools. They marched in several parades throughout the year and took part in assemblies given in the school auditorium.

This is the first year in which Warwick High School has attempted to develop an orchestra. Consisting of twenty-five members they played for the District Teachers Evaluation Conference here at Warwick in January. They also played in an assembly for the school.

Both the Intermediate Band and the Orchestra have worked hard practicing and have gained skill which we are sure will help Warwick's bands retain their fine record and which will make Warwick known in the field of Orchestra music.

A Cappella Choir

We in the A Cappella Choir look back on a year filled with familiar music, our traditional operetta, the concerts, and many appearances we have given.

The future members of the choir will sing some of the songs we sang this year and years before, as songs become a part of the choir, but some of us will have only the memories of them.

The songs "Dry Bones," "The Night Before Christmas," "Carol of the Bells," and others are as much a part of the choir as the actual members. Looking back we remember our Fall Concert in which we sang "I Got Shoes," "Sing We And Chant It," "At Parting," and "Lo'A Voice From Heaven Sounding." We remember singing on WVEC-TV; and we remember our operetta; and singing the senior class song "One Little Candle."

We will always remember the songs we sang; and the people we sang, practiced, and worked with; but none of us will ever forget the time and effort put into each soprano, alto, tenor and bass part by Mrs. Sheakes, who never seemed to tire from obtaining harmony from those of us who marveled at being a part of the choir.

SPANISH CLUB

LOS PEREZOSOS

The 1953-1954 Spanish Club began the year by selecting a new name and motto. "Los Perezosos" was chosen as the name and "Hecha la ley, hecha la trampa" became our motto.

Our meetings were held monthly and proved to be quite valuable. Spanish customs, history, and songs provided our entertainment. We heard Spanish speakers and wrote to Latin American pen pals, promoting relationships with our "amigos" across the border.

Our name implied that we were "lazy one's" but after parties, Spanish style of course, and meetings where we tried to speak Spanish, we spent the year learning to be real señores and señoritas.

SCIENCE CLUB

In the world of today many new scientific discoveries are being made all the time. Our Science Club tries to promote interest here at Warwick in these new discoveries and the other scientific discoveries that have been made.

During the year each of us worked on a group project, and a few of us had an individual project. Sometimes we heard guest speakers, saw scientific movies, went on field trips or had an interesting discussion for the program at our meetings.

Also during the year, we kept the science show case in the hall filled with collections of insects, minerals and the like. These were made by some of the students.

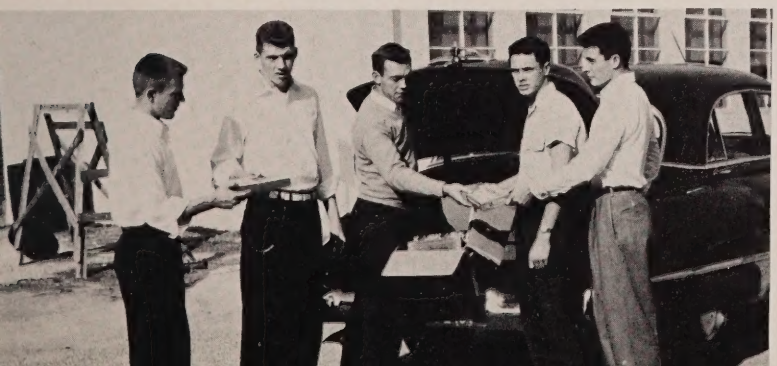
Key Club members are unloading Christmas cards.



The Key Club of Warwick, sponsored by the Kiwanis Club of Warwick, is an organization made up of about thirty boys from the sophomore, junior and senior classes who are selected on the basis of character and scholarship. Its main objective is to better the school and the community.

This year, as every year, members of our club attended the district and international conventions. The club sold peanuts for Kid's Day, sold Christmas cards, sponsored an orphan in the Weaver Orphanage and sent magazines to the Old Soldiers Home.

In addition to aiding the community, the gentlemen of the Key Club also rewarded themselves by holding several social functions for the members and their lady friends. The club also participated in the Annual Tri-Club Dance which was first promoted by the Warwick Key Club.

The officers of the 1953-54 Key Club were Brad Gray, President; Wally Garner, Vice-President; Arthur Wildman, Secretary-Treasurer; Glenn Bollinger, Sergeant-at-arms; and Mr. Fred Tubbs was the faculty advisor.

Ushers

First Row, Left to Right: Pat Turner, Glenn Shepard, Anne Coleman, Donald Krause, Mary Se Stone. Second Row: Wally Garner, Anne Piland, Chick Talley, Cary Davidson, Robert Mangum. Third Row: Beverly Amory, Richard Davies, Betty Mangum, Rudy Mixon, Jean Hopkins.

Each spring an S.C.A. committee is recruited to select sixteen ushers from a long list of applicants. In this tedious job, students are chosen who are courteous, have a high standard of social competence, and maintain satisfactory scholarships.

Their duties begin with the graduation exercises in the summer. When school days roll around the following September, the ushers are busily engaged in escorting the eighth grade students to classes. Throughout the year, the ushers serve the school courteously at assemblies, plays, concerts and at the teachers' meetings.

This attractive group is doing a great service for the school and deserves all our thanks.

These ushers are ready to usher for one of the evening functions in the auditorium.

Quill and Scroll members make plans for the future.

One of Warwick's newest clubs is the Quill and Scroll, a chapter of an international honorary society for high school journalists. At present only those members of the newspaper and the annual staffs who do outstanding work in journalism are enrolled as members.

The seven members of the club were selected last spring and became members of the Quill and Scroll for the school year 1953-1954. All the members are chosen by the faculty advisors for Warwick's publications.

The Future Homemakers of America were busy all through the year doing many different things which will prepare us to be better Homemakers.

In December we made cookies for the Welfare Department of Warwick. In January our project was creating new hair styles. We gave a Valentine Tea for our mothers in February.

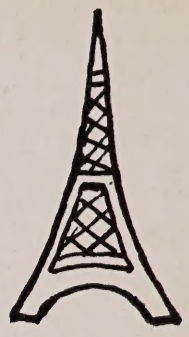
At our meeting in March we studied people of foreign Countries. We visited the Yoder Frozen Plant and saw just how foods were frozen. As the year ended we discussed our plans for attending the F.H.A. summer camp in Smithfield and looked forward to learning and having fun with other girls.

These students are busy testing the food they have prepared.

These girls are learning that sewing can be fun as well as profitable.

The mice these girls are holding were put on various diets to show what happens when the diet lacks the proper food.

French students look over pamphlets and newspapers in French.



Le Cercle Francais

"Le francais et la France" . . . translated means "French and France" which is exactly what the Warwick High School Cercle Francais is studying. To learn the cultural background and picturesque customs of France is our aim; to learn the French language, our goal. In order to accomplish this we have participated in many activities ranging from making reports, maps and art displays to singing French songs, seeing travel movies and slides, and inviting guest speakers who have traveled in France.

LIBRARY ASSISTANTS

This year the big day for most of us was the opening day of our spacious modern library. After weeks of moving books and waiting for the day, we were very happy to be in our new library with its many shelves, conference rooms, new books, new furniture and modern conveniences.

As library assistants we helped keep this library looking its best by keeping attractive displays on the bulletin boards and keeping all of the materials where they belonged.

SAFETY PATROLS

The boys and girls you have seen wearing the white belts and silver badges are the safety patrols. Our duty as patrols is to be responsible for the students' safety on the school grounds and on our school's many busses.

Under the leadership of our captain, Sadie Smith, and our advisor, Mr. Romie Hamilton, we have tried to make the life of Warwick students a safe life.

First Row, Left to Right: Emerson Elliott, Annie May Foster, Iris Willis, Jackie Riddle, Hilah Edney, Darlene Melton, Jean Jones. EDUCATION DAY

1. With the help of students, Mrs. Andrews and Mrs. Pully prepare to serve at the tea.

2. Mr. Farrier talks with students interested in attending Radford or V.P.I.

3. Longwood representative, Mrs. Shackelford, shows pictures of the various buildings and activities at the college.

4. Many boys talk with the representatives from the Armed Forces Reserves.

5. Seniors, faculty, and college representatives were guests at the tea following interviews with college representatives.

6. Mrs. Thomas explains the requirements for telephone company employees.

FOOT

End Coach Bill Chambers, Head Coach Milt Drewer and Line Coach Romie Hamilton.

This was one of Warwick's best years so far as football is concerned. The team divided a ten game schedule by winning five games and losing five games.

Coach Drewer and assistant coach Hamilton were joined by coach Chambers of William and Mary. Lewis St. Clair and Eugene Saywer were elected Co-captains.

Warwick played the first game of the season on the peninsula and came roaring back from a twelve point difference in the fourth quarter to defeat Benedictine 14 to 12.

The next Saturday we traveled to Richmond and defeated John Marshall 14 to 7 for the first time in the school's history. The game had a spectacular finish with Warwick scoring on a fumble with only three seconds left.

By this time people were comparing Warwick's march through Richmond with that of Grant when we met a stumbling block where we least expected, and lost to Highland Springs 7 to 0.

We returned home the next week to face Norfolk Catholic and won again 13 to 0.

Left to Right, Kneeling: Hugh Alligood, Arthur Wildman, Ronnie Davenport, William Edmunson, Bobby Trousdell, Billy Cole, Cecil Hatchett, Billy Blankenship, Russell Moats, Manager Ken Brooks. Standing: Bill Baker, Gardner Smith, Richard Collins, Pete Smith, Tom Crosley, David Irby, Leslie Bunting, John Wilkins, Managers Jim Daniels and Nelson Lester.

BALL

We continued winning by defeating Norview 13 to 7. We will remember for a long time the thrilling 89 yard run Rayfield made on a punt return.

After a 20 to 7 victory over Newport News the second win in seven years, people were beginning to think winning was a habit at Warwick. People will long remember the sensational catch of Bollinger, and the fine team play of the boys, and Coach Drewer probably still feels the thrill he felt when he was carried off the field by the victorious team.

The habit of winning ended here but our team continued with the desire to play harder than before. We gave State Champions Granby the scare of their lives before falling to them 33 to 13.

After going off the field trailing Hampton 19 to 0 at the half, we came back and played fine ball in the second half to make the final score 19 to 6.

In the final two games Warwick, tattered and torn, but still giving their all, could not regain their footing and lost to Thomas Jefferson 12 to 7 and to Hopewell 32 to 12.

Co-Captains Eugene Sawyer and Lewis St. Clair.

J. V. FOOTBALL

The Junior Varsity team under the direction of coaches Locklear and McCarrick faced one of the toughest Jayvee schedules ever played. Starting with 38 boys 36 of whom had never played football, the team lost their first game 13-0 to Wilson of Portsmouth. The next loss was at the hands of Newport News 12-0. A 45-0 victory over Matthew Whaley of Williamsburg brought new confidence and next the team trimmed Hampton 18-0. At Maury they were defeated 13-6 and the second game with Newport News ended in a 6-6 deadlock. The final game was a 13-0 victory for Norview. Though the season was one of more losses than wins, the coaches were pleased with the results that were attained through their association with the fine boys composing the team.

"Who's gonna win-win?"

"We're gonna win-win!" our nine perky cheerleaders have shouted endlessly through the year. Their pep, vitality, and new ideas made the already strong school spirit unbeatable. Varying the maroon and white uniforms and the all-maroon ones, the girls always appeared at each game with some catchy idea.

The pep assemblies were different, too, this year. The cheerleaders, striving to be unique, thought up skits and programs which the students talked about for a long time afterwards. Daring to be original, they offered the school a wide variety of entertainment.

The cheerleaders really helped in keeping up the morale of the student body as well as the teams. Without them, the games would have lacked color and organized yelling. To them we give a salute for a job well done!

Varsity Co-Captains: Betty Forbes and Pat Barber.

Senior Varsity Cheerleaders, Clockwise: Betty Forbes, Mary Se Stone, Ann DeAlba, Pat Barber.

"Okay! Let's hustle!"

These familiar words were repeated by the starting team each time they walked onto the basketball court. Not knowing what was in store for them, but confident, should any problem arise, the Farmer five played good ball and shot with accuracy. Under the instruction of Coach Bill Chambers, they learned new plays, perfected the old ones, and practiced continually. The team poured their hearts into every game because they knew how the coach felt and didn't want to let him down. Working hard with Mr. Chambers was Captain Gene Conner. The sandy-haired senior was always dependable in any phase of the game and his one-hand push shots usually netted "two."

Captain Gene Conner

The other boys who were responsible for the tension-packed events were the alert and quick-moving David Short, who was considered by many to be the best rebounder seen in a Farmer uniform; the team's high scorer, Tommy Lanier, who made many seemingly impossible points because he had such a wide variety of shots; center and forward Bobby Bales, who used every inch of his 6' 1" frame to rebound and score with his jump shot; the streak of lightning named Pete Smith, who drove hard and was noted for his general ball handling; Arthur Lambiotte, a 6' 3" sophomore and an excellent rebounder, who played his first season exceptionally well in the center slot; a team-worker who had a "dead eye" for the basket was Gene Foster, whose quick set shot was envied by many. All of these boys were a part of the Warwick Team.

Those who leave their maroon and gold uniforms to their successors Conner, Bales, Short, Foster, Rayfield, and Calloway, played good, clean games and will never be forgotten.

The wins, the losses, the thrillers, the heart-breakers throughout the season were the product of a bunch of boys who were "green" and inexperienced at the first of December and ended up in February, a smooth, fast and honest-playing team.

Capable Reserves, Front Row: Russell Calloway, Jimmy Black, Arthur Lambiotte. Second Row: Gene Foster, Lee Rayfield, Sandy Russell, Doug Kellis.

J. V. Basketball

The J.V. team this year under the supervision of Coach Tom McCarrick displayed fine team work and individual skill. The games were really thrilling; however, we did not always come out victorious.

Although we had no individual stars, the team was well led by its captain, Cecil Hatchett. Among the highest scorers were David Zelle, Cecil Hatchett, "Sandy" Russell, and Leo Hopkins.

With the addition of our new gym, we are looking forward to a greater turnout of basketball candidates, a more prosperous season, and a larger attendance.

Left to Right: George Shield, Andy Shankland, David Zelle, Sandy Russell, Dick Petty.

J. V. Cheerleaders

At the beginning of the year, nine newly selected J.V. Cheerleaders could be found hard at work practicing yells almost every afternoon or evening. It took many hours of practice, but the dreams of these cheerleaders were realized when they cheered their first game wearing their new white orlon skirts and maroon sweaters.

Although they didn't know all the cheers, these anxious girls led the yells for the Junior Varsity teams and soon became experienced in this.

As they cheered each football and basketball game, the hope of each girl was to become a Varsity Cheerleader.

The Cheerleaders are in a huddle. Clockwise: Sue Perdue, Barbara Parker, Jane Denton, Joanne Bell, Ann Stancil.

Wrestling

The wrestling team has done a fine job in this, their third year. They boast wins over Virginia Beach, South Norfolk, Kempsville, Beaumont, and Maury, and have lost only to Granby and Jefferson Senior of Roanoke.

The best records on the teams are held by Captain Charles Pace, Frank Pultz, Johnny Crews, and John Guy.

Coach Romie Hamilton considers himself most fortunate in losing only one member of the team.

We are also proud of the fine showing our team made at the State Meet in Charlottesville, February 26, and 27.

earn while you learn!

Your pay starts from the first day at the telephone company — even while you're learning your new job!

That's one reason so many young girls choose a telephone job when they finish school. They don't need experience to get this good job — and they're paid while they learn a skill that'll always be useful.

Find out more about the variety of telephone jobs from your high school counselor — or come in and see us when you finish school.

ACKNOWLEDGEMENT

As we leave Warwick in 1954 we would like to express our appreciation to the following who have helped us to publish this book.

THE MYERS PUBLISHING COMPANY, Richmond and Topeka, for printing this book, and particularly to Mr. Neill Watson, for his interest and his valuable advice.

NACHMAN'S STUDIO, Newport News, for taking individual pictures, and especially to Mrs. Anne Cooke for her help and her friendliness to the students and faculty.

MR. GENE EDMONDS, of Hampton, for the time he spent and the fine work he did in taking our group pictures.

BILL LEE, who took informal pictures for our annual.

PAT BARBER, for her ever present aid throughout the year.

BOB YINGLING and CHARLES WITHEROW, of the DAILY PRESS and TIMES-HERALD, for their assistance and co-operation in obtaining sports pictures.

OUR ADVERTISERS, for supporting this publication.

THE STUDENTS, FACULTY, and ADMINISTRATION for their interest and co-operation throughout the year.

MISS FRANCES WHITEHURST, our faculty advisor, for her patience, her tireless efforts to solve our problems, and her friendly encouragement which made our job such a pleasure.

We would like to thank the STAFF of the WARWICK for their many hours of work to publish this book. We give our best wishes to next year's WARWICK Staff as they look forward to publishing THE 1955 WARWICK.

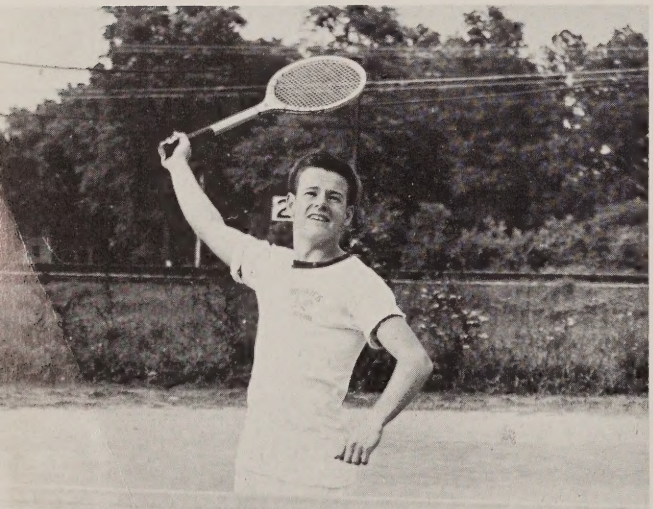
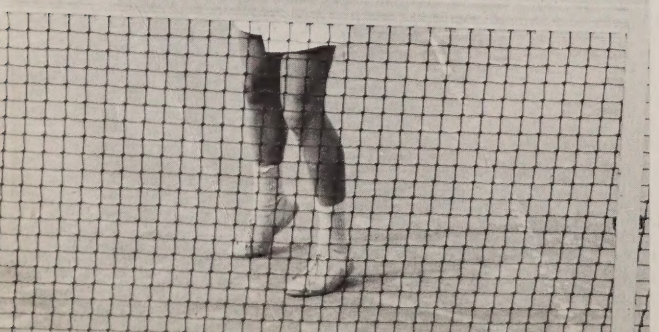
TENNIS TEAM

Watch out Linton, here she comes.





The 1953-54 Tennis team made a real good showing this year. Under the coaching of Tom McCarrick they won six games and lost four. Defeats came at the hands of Maury, the Eastern District Champs of last year, and Cradock, the Group II Champs.

However, even with these losses our tennis team was runner up to the Eastern District Champs: Maury.

The team is losing three of its men this year, but we are confident they will continue to keep adding to their previous wins.

First Row, Left to Right: Managers, Billy Tugwell and Stanley Guye. Second Row: Cecil Hatchett, Norman Monk, Hugh Alligood, Doug Kellis, Pete Smith, Lloyd King, Johnny Harris, Henry Deese. Third Row: Coach Jim Locklear, Lee Rayfield, Greg Fortich, Gene Conner, Paul Feree, Leslie Bunting, David Irby, Carl North, and Lewis St. Clair.

BASEBALL

The Varsity Baseball opened practice on March 24th with 54 boys reporting for practice. By the time for our first game we had fifteen men in uniform. Our first game of a fourteen game schedule was Mathew Whaley which we won 10-1.

Our total record was eight wins and five losses. Our non-conference record was 4-0. Conference record was four wins and eight losses. Our season was not efficient with success, but we felt we had a better team than our record showed, but due to a few tough breaks in some very close games and the fact that we could not make that the big play we dropped several close conference games.

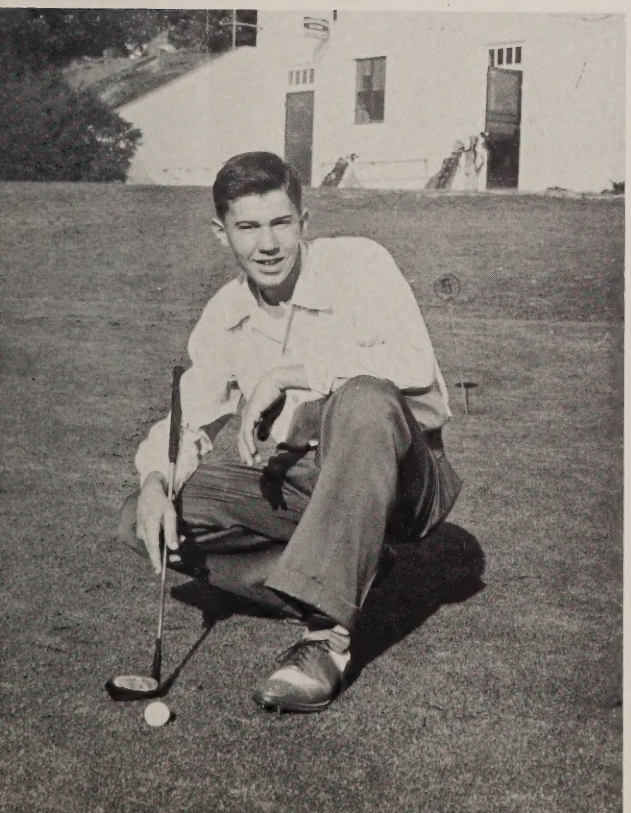
GOLF TEAM

Team Captain, Bland Johnson.



Although the game of golf is a comparatively new sport at Warwick, our boys are doing real well. They are lead by their coach, William R. Formichelli and their captain Bland Johnson. Of the six boys on the team only one will not be back next year. We are hoping to see more enthusiasm toward golf in the coming years.
